

We use Vidal Sassoon techniques in designing the best haircut and color with your best features. Our services include a consultation, shampoo, conditioning, blow dry, and 2 of the following complimentary services: head, neck, and shoulder massage, re-touch your make-up, hand and arm massage or quick cleanse facial. We are happy to show you how to replicate your style at home using the recommended Aveda products. Please visit the "Specials" page of the site to receive our email offers, or download the Salon b Mobile application for instant coupons.

### Model Tuesday

We are currently accepting haircut, color, and extensions models for our Tuesday, beyond Training Program where aspiring new-b's train to earn a position on our team.

Please sign up for our class list via email to [info@salonbonline.com](mailto:info@salonbonline.com). In your email please provide the following: name, age, occupation, city, phone number, current photo (of your hair) and how you were referred. You are not considered a registered model until our model call manager contacts you and your reservation is confirmed.
